An act to amend Section 35160 of the Education Code, relating to school district governing boards.

LEGISLATIVE COUNSEL'S DIGEST

SB 1135, as introduced, Runner. School districts: governing boards.

Existing law authorizes the governing board of a school district to initiate and carry on any program, activity, or to act in a manner that is not in conflict with or inconsistent with, or preempted by, any law and that is not in conflict with the purposes for which a school district is established.

This bill would make technical, nonsubstantive changes to that provision.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.
